**TOWHOM IT MAY CONCERN**

We would hereby like to confirm that **Mr Carsten H Olsen** has worked as Expert in Employment Services Management/organization for the project with title "Technical assistance to Belarus Employment Services" in Belarus from 02/1995 until 10/1996 (8months).

The project's aim was to develop the Belarusian Employment Service and Adult Vocational Training System at a central as well as regional/local level.

Mr Olsen provided the following services:

- Took part in the project management as deputy team-leader
- Carried out a major survey and analysis on the functioning of the Employment Services in the country;
- Capacity building and training delivery to 20 officers from the Belarusian authorities, including 10 days study visit to Denmark;
- Built up a pilot information centre delivering info on job and education possibilities

Yours faithfully,

Robin van de Poll  
Director Nehem International
